About

Christine Downing has been honored with the Outstanding Service Award by NHSAA, recognizing her exceptional contributions to the educational community. Her unrelenting focus on enhancing educational quality and outcomes has left a significant mark both locally and statewide. Christine brings a diverse set of skills and knowledge to the realm of public education, encompassing legislation and the 306 minimum standards, curriculum development, and professional training. Her expertise and dedication have driven substantial improvements in educational practices and policies, benefiting both students and educators. Christine displays a steadfast dedication to improving every facet of education she touches, leaving an enduring positive impact on the state's educational landscape.
